## Why Gosainkunda Lake is special?

The Gosainkunda Lake is so special among the travelers especially Hindu Pilgrims as the lake is believed to be the abode of god Shiva. God Shiva's dead body is believed to be seen lying in the middle of the Gosainkunda Lake in the form of a big black rock. The massive black rock is seen resting in the middle of the lake into the water which is believed to be god Shiva. If one takes bath from the water of Gosaikunda with the Shiva's body in the middle of the lake, it is believed to be the most sacred and can wash all kinds of sins. So, there is a big fair organised on the full moon day of August to mark the special day for God Shiva and thousands of Hindu Pilgrims flock to the Gosainkunda Lake.
