

Francisco de Assis Auditorium Presentation

Dear Client,

We hereby present a new reference space in Porto: the **Francisco de Assis Auditorium!**

In operation since 2021, **it has 399 seats** (including 6 reduced mobility) and equipment and infrastructure that allow it to host all types of business, sociocultural, artistic and academic events.

The constant challenges and obstacles that we face daily are minimized and overcome with the support of partners. To meet the demand **for space rental, we present our solution**, committing ourselves to adjusting our auditorium to your needs, dignifying your event.

We are grateful to be able to count on you as a potential client. This channel will be constantly open to begin this future trajectory. With no other topic at the moment, we offer our best regards and subscribe with high appreciation,
