VIRTUAL WEBINARS

MIC DMC go to Virtual! Nowadays lifestyle is changing and we must get accurate services for you. With international travel disruptions within the last months that impact our industry significantly the original idea of having physical events or independent travelers won't be possible for a while. Nevertheless, we want to give you a real chance to get to know deeper all Argentinian beauties. We have designed an exclusive MIC DMC audiovisual presentation adapted for zoom, that can be a pampering for your emotions. We made it virtual until we can get again into physical as we do believe in 2H2 events.
