# WHAT ARE THE TYPES OF EVENTS TO ORGANIZE IN A COMPANY?

Team Building exercises, afterwork parties, seminars, outings, talks, brunches, launches and dinner parties... all in the range of business events, facing all these types to choose from the questions for the choice makers are: What kind of business event do we plan? and what's the right choice?

Depending on the work environment challenges you face and the needed purpose, we build tailored solutions to achieve your goals:

## 1 SEMINARS/WORK INCENTIVES:

Best for the executive staff and key employees: vision of the company, launching of new products or services, new positioning...

## 2 TEAM BUILDING:

Creation or reaffirmation of employee - executive work bonds through projects and challenges (like fun sporting events), all while having the common goal of surpassing oneself

## 3 AFTERWORK:

Friendly and rather informal/spontaneous moments among people from the same team, or teams that interact in the same work area

## 4 MILESTONE EVENTS:

An open invitation to all employees, and often to customers, prospects, share holders and business opportunities, it's a PR event to make your company shine with the intervention of a few, some or all managers. It builds the company's reputation and personality. It's an event of a presentational and official nature where looks matter.

## 5 CUSTOMER FOCUSED EVENTS:

A public and notoriety focused event intended to make the company known along with it's services and/or products. It includes the participation of the public representatives (management, sales, marketing...) inviting customers and prospects.

Depending on the situation and the context, JONY EVENT also helps you build study trips, product launches, conferences, trade fairs, congresses, exhibitions and even charity or sporting events.

# WE'LL SUPPORT YOU IN THE DIFFERENT STAGES OF DEVELOPMENT OF THE EVENT.

## ✔ INCENTIVE EVENT

The teams must be a driving force for your business, it can include a day trip and much more that can energize them while giving a moral boost.

## ✔ COMPANY ANNIVERSARY

A company anniversary is not only a way to celebrate several years of existence of a company, but also of its members. It reminds your employees of the experiences and goals they have achieved.

## ✔ PRODUCT LAUNCH EVENING PARTY

JONY EVENT helps you to design an evening that will showcase your product and make an enduring impression. The key is to offer the best ways to showcase the brand, its colours and its soul while delivering an excellent show.

## ✔ GALA

At a show, a convention, a symposium or a seminar, the penultimate evening is generally dedicated to the gala, a time to show oneself and to show what can be achieved.

## ✔ COMPANY PARTY

Dedicated to your employees and your teams, it is a way to thank them for their great work during a meal or an end-of-year party, it's also an opportunity to reflect on the past experiences from the year that ends and to set out the objectives for the coming year.

# GIVE YOUR TEAM A TIME THEY CAN NOT FORGER

## AND STRENGTHEN YOUR COMPANY'S TEAM SPIRIT!

Let's build trust!

Our team building consultants are at your disposal to set up an effective program adapted to your structure and needs.

Do you want a sporting or cultural team building event, a city game, a course, a challenge, or a getaway lasting several days? Then we have that for you.
