DAY 1: LIMA | INC:

Arrival in Lima, meet and greet by the Viajes Pacifico staff who will assist us with luggage and will provide a brief city orientation and helpful information. Transfer to hotel and overnight stay in Lima.

DAY 2: LIMA | INC: B/D

Our guide will pick us up to show us Lima in a non-traditional way. There will be no established patterns on this tour, so let us all be free to plan it according to our personal interests. The historical downtown, San Isidro, Miraflores; anywhere you want. If you feel like going shopping, we will visit some of the finest stores in the city. Lunch is on our own. Return to hotel to rest and enjoy the facilities. At night we will enjoy a true unique culinary experience at Mesa 18 at Miraflores Park Plaza hotel. Overnight stay in Lima

DAY 3: LIMA/CUSCO/SACRED VALLEY| INC: B/L

Transfer to airport to catch our flight to Cusco. Upon arrival we will be transferred to the Sacred Valley of the Incas for a better acclimatization process. Before heading for the hotel, we will stop briefly at the traditional market, with enough free time to go around, see the typical produces and buy handcraft. We will take a few minutes to relax and taste a delicious empanada (filled pastry) or a piece of bread freshly made in stone ovens. Once we are all checked-in at Orient Express' Rio Sagrado, we will head for the Wayra restaurant. La Terraza is the most informal room at Wayra, where we will get rid of all our pretensions to

conciliate our proposal with the awesome environment that surrounds us: an overwhelming display of color and contrast brought by the mountains, the popular art, the mural paintings and the inspiring garden. This is the background to a peaceful lunch that combines the delights of the valley with the glamour of the dancing Peruvian horses and the marinera dance (dances may vary). Afternoon at leisure to enjoy the hotel facilities. An optional spa session is highly recommended. Meditation and shaman sessions are also available. Overnight stay at Urubamba.

DAY 4: SACRED VALLEY| INC: B/L/D

Our day starts in Chinchero, a beautiful town and archaeological site where we will get to see a short exhibit of traditional textiles, a distinctive feature of this town dedicated to following ancestral dyeing techniques to create high quality works of art. Our trip continues in Moray, a place with a breathtaking view thanks to its colossal concentric terraces resembling a coliseum. What did they use it for? The terraces recreated 20 different types of microclimates, and they were studied to ensure the agricultural production of the empire. After a picnic-style lunch we will continue our journey to Maras, the millenary colonial salt mines. The contrast of the white pools against the green valley is so impressive that it resembles a postcard. Our last stop: Ollantaytambo, a small town full of local color and inhabited since Inca times in which we will visit the main temple used as a fortress during the Inca resistance. Breathtaking views for amazing pictures.

Dinner and overnight stay in the Sacred Valley.

DAY 5: SACRED VALLEY/MACHU PICCHU | INC: B/BR/D

Departure to the Ollanta Station, where we will embark into one of the most spectacular rides aboard the exclusive Hiram Bingham deluxe train. The experience on board is purely first class. The train's incredible classic style goes perfectly with the dining room arrangement, making it easy to taste the delightful dishes carefully prepared for us by experienced chefs. The landscapes are breathtaking and while we follow the Urubamba River course getting closer and closer to the canyon, we'll arrive at Aguas Calientes. From there, we will take a small bus up the winding road to Machu Picchu. The Lost City of the Incas will astonish us with its terraces, ceremonial shrines, steps and the solar clock or Intihuatana, all this amid a special atmosphere and on a guided tour. Tea time and overnight stay at Machu Pichu Sanctuary Lodge.rox

DAY 6: MACHU PICCHU/CUSCO | INC: B/L/D

Morning at leisure. Managing time as we please, we can optionally enjoy again the energy and mysticism of the citadel and do some activities like climbing up to Intipunku or the Sun Gate, the entrance to Machu Picchu from the Inca Trail, or the Huayna Picchu, where we can find the temple of the moon. Really impressive. At the scheduled time, we will return by train. Entertainment and fine gourmet dinner on board. On arrival we will be transferred to the Monasterio hotel.
